

## 60 Years of Legendary Bar B Q

In 1957, Bob & Maxine Sykes opened an ice cream and hamburger stand in the Central Park area of Birmingham. This was about the time Bob built his first pit and began to cook the barbeque he remembered so fondly as a child growing up in the hills of western Tennessee. The rest as they say is history.

**For 60 Years, Bob Sykes has been the benchmark for others to match for true southern barbeque.**

Times may have changed, but nothing has changed in the way we prepare and cook our famous barbeque and special sauce.

This experience and tradition of excellence has been passed down to Bob & Maxine's son, Van Sykes, who is passing on his knowledge to Jason Jewell, their grandson.
